

# 大船渡市合足地区・綾里地区 林野火災による通行不可情報 Road closures in Attari and Ryori area, Ofunato City due to forest fires

**A forest fire that started around 13:00 on February 26 was declared under control at 17:00 on March 9.**

Information as of March 10  
◆ Sanriku Railway  
• Normal operation resumes between Kamaishi Station and Sakari Station from the first train on Tuesday, March 11.  
※ Circumstances will change. Please be sure to check the Sanriku Railway website both when planning and before hiking.

The trail route between Sanriku Station and Sakari Station can not be used until safety is confirmed. Please use Sanriku Railway.  
**Entering the area will cause trouble for locals and firefighting personnel, so please do not enter under any circumstances.**
